

Sentry Height Strip Camera

Features

- Functional height strip
- High performance 1/4" Mintron camera
- Plug and play installation

Description: This innovative product is an effective and discreet surveillance solution particularly suited for use in convenience stores, gas stations, malls, restaurants, banks, small businesses and other similar applications. Mount the height strip on or beside a doorframe to capture detailed and close-up images of individuals exiting the premises with the high performance Mintron camera hidden inside. The Sentry Height Strip Camera makes identifying and prosecuting criminals much easier by capturing detailed and close-up facial images.
