2. Instruction manual
3. Mounting Bracket

Description

The Sentry 5324-IR is a high quality 1/3" color, weatherproof CCTV camera designed for use indoors or outdoors where video is required at low or even zero illumination levels as well as at normal daylight or artificial light illumination. It provides 380TV lines of resolution, in color at normal light levels. Switching to black and white under low light conditions, the 24 Infra Red LEDs provide a useable I.R. range of up to 80' from the camera. A 6mm lens and mounting bracket are included.
