- ⚡ 3.6 mm Lens
- ⚡ Mini-Dome Camera

Description

The Sentry 831D-3A is a 1/3" color Mini-Dome CCTV camera with a 3-Axis adjustment mechanism designed for use indoors where constant lighting conditions make a fixed iris/fixed focal length lens sufficient. Using a 1/3" CCD, the S-831D-3A provides 380TV lines of resolution, in color with an excellent minimum illumination level of 0.3Lux at F2.0. The S-831D-3A is widely used in retail stores and restaurants and comes standard with a 3.6mm lens and is particularly suited when the camera will be wall-mounted or mounted on an uneven surface.

SENTRY 831D-3A SPECIFICATIONS
